Welcome to the City of Canton!

We are a charming city filled with diverse and bold citizens, entrepreneurs and businesses. You will find our city a welcoming place to do business and an inviting home for your operations. I am glad you are considering investing in Canton.

As the county seat of Cherokee County, surrounded by the beauty of the Blue Ridge Mountains and a part of Metro Atlanta, our city offers something for everyone. Within Canton's borders you will find The Bluffs, Northside Hospital-Cherokee, Chattahoochee Technical College's Canton Campus, the Hickory Log Creek Reservoir and several industries with whom we have worked diligently to help grow. We feature an extensive park system, largely due in part to the Etowah River's natural flow through our city, with many trails to get out and see Canton's natural beauty.

In quality of life, you will find Canton unrivalled. We offer many shopping and dining choices at Canton Marketplace, Riverstone Parkway and in Historic Downtown Canton. Canton has convenient and easy access throughout our community to Interstate 575. We are also very privileged to be the home of the Cherokee County School District which is consistently at the top of State and National averages.

Canton is a city on the move. I hope you, too, choose to be a part of our city and a part of our story.

Thanks again for considering Canton. If I can ever help you in any way, please let me know.

Sincerely,

Gene Hobgood,
Mayor of Canton
